For: Carbon Particle Fiber Assembly Technique

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Notice of Allowability mailed on 03/20/08 contains an Examiner's Statement of Reasons for Allowance. The Statement appears to collectively refer to the subject matter of all independent claims. However, independent claims 1, 19, and 28 contain different language. For that reason, the Applicants object to the Statement. In general, to the extent that the Statement differs from the language of any of the independent claims, the Applicants reject any narrowing or limitations that might possibly result from such differences.

For each of these reasons individually and for all these reasons collectively, the Applicants object to the Statement.

Respectfully submitted,

Date: 04/18/2008
